NEW 2022

NUVA M6 OPEN

A boat that is designed to move freely throughout the boat. Our M6 open maximizes the space on deck. In the bow area, there are seats that can be easily converted into a solarium. The same in the stern area. The cabin is designed to store cushions and bags. This model is an elegant, versatile and minimalist model where space is the main character. If you were looking to stand out in small boats with CE certificate - 8pax, this is the model that marks a before and after, taking smaller boats to another level of comfort.

Being the smallest in the model range, our Nuva M6 Open is also a great tender boat for yachts. Due to its compact dimensions, the M6 can be placed both in the tender garage and on the swim platform.
